Tasting notes

Bright ruby color, with garnet reflections. Begins with a subtle mix between aromas of ripe red fruits and spicy aromas with a touch of aromatic herbs in the background. On the palate it is powerful in the attack but elegant in body. The wine offers all its potential thanks to the balance between density, a friendly tannin and a long acidity at the end of the mouth. This balance gives it complexity and personality and, at the same time, these properties mark the wine with the main virtues of an authentic Priorat and ensure a great capacity for aging in the bottle.

Pairing

We recommend to serve it accompanying meats, roasts, stews, mushrooms and blue cheeses.
